

## Rules and Regulations for Filming & Photography on Museum Premises

If a permit is issued, the following provisions shall apply:

1. For security reasons, the rooms inside the museums may only be entered in the company of museum staff.
2. For security reasons, any persons or objects must be at least two metres away from the exhibits.
3. Instructions given by museum staff must always be obeyed.
4. Visitors to the museums, courtyards and gardens, as well as staff, must not be disturbed in any way by the photography or filming and may only be filmed or photographed with their consent. Museum operations must not be adversely affected.
5. Inside the restaurants, any photography or filming shall require the consent of the corresponding lessees/tenants.
6. In the event of scheduling conflicts or special circumstances, photography and filming may be cancelled at short notice despite prior agreement on a date.
7. In case of cancellation by an applicant following a reconnaissance visit, any costs already incurred shall be billed.
8. With issue of the permit, the SNM shall not accept any liability for accidents, damage or theft caused or suffered by the applicant.
